Kensington - NU 3030
Frame Mount
29-3/4" H + 16-1/2" W + 4-1/4" D

Handcrafted and classically designed, Century wall niches are manufactured as easily installed single-piece construction in either fiberglass or a high-density polymer composite. When a recessed wall installation is impractical, choose our flush mount Kensington or Italia wall niche styles.

Visually enhance and add aesthetic beauty to foyers, hallways and stairway landings with our rich and inviting wall niches. Radiate a welcoming ambiance by adding panel mouldings, framing corners and other decorative accessories to adjacent wall spaces.
