KEY FEATURES

- Hand Crafted with Precise Details
- Polyurethane Capitals Available
- Largest Selection of Classical Styles Available
- Fiberglass Polymers
- Load Bearing
- Limited Lifetime Warranty

Graceful and functional, Dixie-Pacific's Decorative Capitals are backed by one hundred years of manufacturing tradition. The design of our Decorative Capitals follows the classical Orders of Architecture.

Our Decorative Capitals are crafted entirely by hand with our unique fiberglass polymers which makes them load bearing and extremely durable. Decorative capitals may be split in half for pilaster applications or can be reassembled around struc-

tural supports. All of our Decorative Capitals are crafted in house; therefore we have the capability of matching existing capitals.

Dixie-Pacific's Decorative Capitals add an elegance to columns and are perfect accents for interior or exterior applications. Enjoy the rich tradition and heritage that Dixie-Pacific's Decorative Capitals bring to any home or structure.
