## Wood Porch Posts & Stair Parts

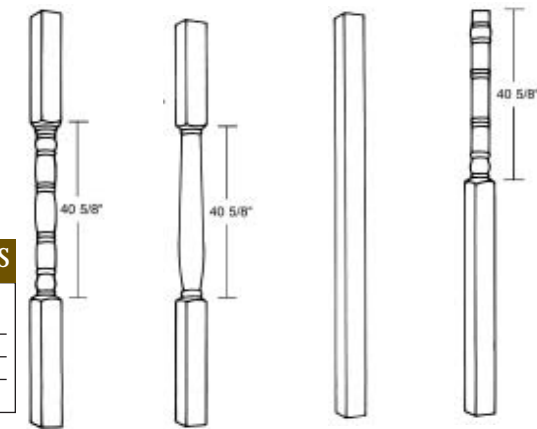

Charming and functional, Dixie-Pacific's Wood Porch Posts offer style, quality and value. Our posts line porches, foyers, gazebos, or can be used as room dividers to develop the illusion of increased space. Wood porch posts are manufactured from finger joint pine. Always make sure to follow proper storage and painting instructions. Always use an aluminum plinth for exterior applications.

## Square Wood Columns

Dixie-Pacific offers plain and fluted Square Knocked-Down Wood Columns with wood caps and bases. These columns are non-load bearing and are designed to surround a structural support. All square columns are shipped unassembled (knocked-down) in a box. Square Knocked-Down Wood Columns are manufactured from finger joint pine. Always make sure to follow proper storage and painting instructions. Always use an aluminum plinth for exterior applications.
