QuickRail™

by DIXIE-PACIFIC

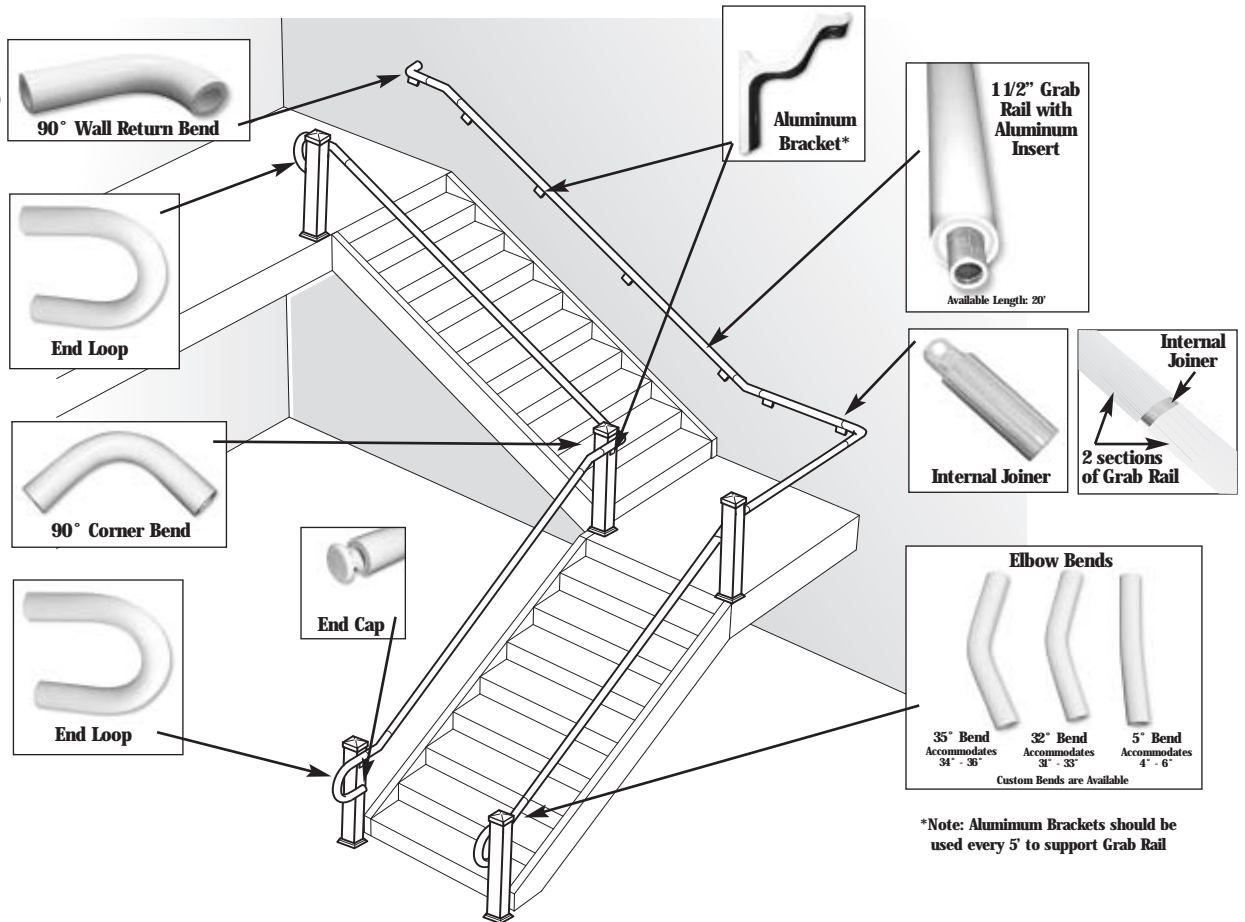

QuickRail's Gate Kits are designed to work with our QuickRail Synthetic Rail System, offering even more flexibility in your installation design. Gate Kits are 34" wide and available in both of our standard QuickRail heights (36" and 42"). White Gate Kits will come standard with white hardware and Desert Tan Gate Kits will come standard with black hardware.

Each Gate Kit Includes: (2) Post Sleeves; (2) Taper Caps; Spindles; Top Rail; Bottom Rail; Gate Hardware (hinge set and self-closing latch).

Grab Rail

Dixie-Pacific's Grab Rail system perfectly compliments our QuickRail Synthetic Rail System. The Grab Rail System can be mounted to QuickRail Complete Post Kits or an existing post or wall. The Grab Rail System is easy to install, and no special tools are needed.
